

Get BEVERAGE DIGEST FAXED on Fridays:

Stay ahead of the news!

Some executives, analysts and investors are getting Beverage Digest faxed to them on Fridays, the day it is published. Though many subscribers are satisfied with our mailed edition (usually arriving on the Monday or Tuesday after it is published), we want to offer this opportunity to all subscribers.

We break more industry stories than other news organizations. So, receiving Beverage Digest by fax -- earlier -- may offer some advantages. Different subscribers have different reasons, but important reasons, for having a few extra days to react and take action.

The additional cost of the fax edition for current subscribers is \$200. That amount, however, will be pro-rated based on the number of months left on your basic subscription. So, for example, if you have 6 months left on your current subscription, the cost of the FAX EDITION upgrade would be \$100.

Importantly, you'll also continue to receive by mail the newsletter plus the Green Sheets and maps. The newsletter is published 22 times a year plus Special Issues. In 2008, we published 26 issues.

To take advantage of this opportunity today, please call us at 914-244-0700, and we'll immediately upgrade your current subscription. Or fill out this form and fax it back to us at 914-244-0774.

It's that easy. You'll receive regular and special issues of the newsletter via fax on the day they are published.

I want to immediately benefit from getting BEVERAGE DIGEST faxed to me right after it's printed. Please upgrade my subscription to the EARLY FAX EDITION.

IMPORTANT: The invoice you'll receive (or the receipt for credit card orders) will reflect a pro-rata charge based on the number of months remaining on your Basic (sent via mail) Subscription.
